

Dear Tournament Guests,

On behalf of all of us at Mayford Athletic FC we want to thank you for participating in our 2024. It's always great seeing our young footballers hone their craft and thank you, the coaches and managers for making it happen. It absolutely wouldn't without you putting in the many volunteering hours.

Our friends Dave and Team from SE Photography made it- Arriving atop a tow truck and also leaving.....atop a tow truck so we wish them speedy surgery on their van. PLEASE, PLEASE do take a look at the fantastic photos they took of your players and share with parents this link: [Mayford Athletic 2024 - Event List - SouthEast Photography \(se-photo.co.uk\)](https://www.sephoto.co.uk/Mayford-Athletic-2024-Event-List-SouthEast-Photography)

A big hand as always to our volunteers from MAFC. We can't do it without them and seeing them smiling and enjoying their tasks is a bonus. A shout out to the awesome company that is [Team-Medic](#) and we thank Allan for being with us both days and taking good care of both players and spectators.

Our Referees led by Mike Hooper did an amazing job managing **430** games over the 2 days. A huge thank you to them, both the experienced referees and the new cohort/next gen we bring through each season.

If you enjoyed it- We'd love to see you again next year and registrations are open here so mark your diaries or register now for the 28th and 29th June 2025.

We wish you a relaxing summer break and all the very best for the forthcoming 24/25 season.

All the best in youth football,
